## **NEWS LETTER**

### **CIVIL ENGINEERING DEPARTMENT**

**A.Y. 2025 – 26**

#### **Hon. Ganpatrao (Dada) Patil's Message**

Late Dr. Appasaheb alias Sa. Re. Patil was the founder chairperson of Shri Datta Shetakari Sahakari Sakhar Karakhana Ltd. Charitable Trust. His vision was to educate the village students and to make them self-independent. With this vision he established a polytechnic college in the year 2010.

Further, he wished to start the degree program, but unfortunately, he passed away in the year 2015. To complete his dream is my responsibility as his son. So, by the very hard work, support of Director, Principal and Vice Principal, all faculties and staff we aimed to start the under graduate course and we succeed in it. Finally, in the year 2024 we started the UG program.

As the both polytechnic and degree running in the same campus, we decided to change the name of the college. After lot of discussion and brain storming sessions it is decided that the name of college should content Institute of Technology as it represents both diploma and degree. As it is started in the memory of my late father Appasheb alias Sa. Re. Patil, the institute name is decided as Appasaheb alias Sa. Re. Patil Institute of Technology, Shirol With help of this institute we opened the doors of higher education to the village students. I appeal the students and parents to take this opportunity and be the part of global competition.

I wish all the best to students in their future life.

#### **Hon. Principal's Message -**

SRPIT, Shirol is one of the reputed engineering institutes in Kolhapur Corporation area. The vision of institute is to become a pioneer institute in technical education. To march towards the Vision the institute strive to develop competent engineering graduates with knowledge, skill and ethical values. The institute provide an opportunity to young aspirants to choose engineering as a carrier. The institute committed for overall development of students in respect of curriculum, co curriculum and extra curriculum activities. To inculcate R & D culture among students' institute runs Students Organization for Research and Technology (SORT) for co curriculum development of students. For extra curriculum development of students' institute conduct various activities through different student clubs. So, the institute has a vision to develop its student into capable engineer with an aptitude for research and leadership. The institute also focus on placement and entrepreneur of students. At the end the SRPIT works to stand his students in global market.

## HOD Message –

It gives me immense pleasure to note that another edition of Electro vision is ready for launch. Truly, irrespective of class or cadre or caliber, it is the dynamism and pervasiveness of the vision that can lead to sustainable excellence. The big theme today is to focus on creativity and innovation alongside academics. Entrepreneurial wealth creation has been explosive on account of the massive impact made by technology start-ups. It is research and development that fosters innovation and out of the box thinking, be it in design or in implementation. Interact with your predecessors pursuing their passions as entrepreneurs or as employees and they would vouch for the fact that career progression or wealth creation happens only when the vision extends beyond the periphery.

## ORGANIZATION OF GUEST LECTURE

**Guest Lecture on – Computer Aided Drawing & Simulation**

Lecturer – Mr. Mazharhusain Mestri, Sangli

**Guest Lecture on – Personality Development**

Lecturer – Miss. Shivani Bhosale, Trainer at APPTTECH solutions, Kolhapur

## Department Vision & Mission –

### Vision –

To empower rural youth through affordable and sustainable technical education that builds skills, confidence, and values

### Mission –

1. To equip rural youth with practical skills and confidence for successful careers.
2. To provide affordable, sustainable education that empowers students to benefit society and environment.
3. To connect students with industry, providing hands-on, real-world experience and career-ready skills.
4. To nurture ethical, responsible individuals who make a positive impact on society.

## STAFF ACHIEVMENT'S

Sr. No.	Staff Name	Achievment's
1	Dr.N.N.Patel	Phd completed
2	Mr. N. B. Bhole	Phd Registration
3	Mr. N. N. Kulkarni	Phd Registration
